

Mount Abram Ski Area High School & Middle School Competition Program:

2018 Mid-week Alpine Training Option: Tues, Wed, Thurs

Mt Abram is offering a special training opportunity to a limited number of programs. "Boris Badenov" can handle 2 full-length GS courses, 4 SL or 2SL/1GS. Fenced top-to bottom; one of our primary goals is to provide much needed full-length and drill-length GS training, something that has been missing in the region's HS/MS training venues.

Training Fees (per athlete)	Space Only	Pre-Set
Daily Training/lift (4-8pm)	\$25.00	\$27.00
Mt Abram Program Athletes	\$ 7.00	\$ 9.00
2 Coaches Comped per team		
Additional Coaches Lift	\$10.00	

Christmas Vacation Week Training Option

We will also be offering hill space on a 4pm-8pm first-come (reservation) basis for holiday week training on Dec 21, 22, 26,27, 28, 29, 30, 31. Hill capacity will be 80 athletes (snow width dependent) and we will require a minimum of 45 athletes to cover costs. This translates to a need for early sign up on holiday training days with some flexibility so we can coordinate to have several groups on the hill together. Fees are as above.

Groups accepted on a reservations-first basis, \$150 admin fee reserves a team slot in the program.

Mount Abram Ski Area

High School & Middle School Competition Program:

“Score Four” Race Program 2017-2018

Special Opportunity for 4+ student athletes representing the same SAD/RSU MS/HS Race Program

Mt Abram is offering a package deal for four or more athletes that represent the same Maine middle or high school team. Package price of \$988 per athlete includes Mt Abram 2018 Seasonal Competition Program (27-day weekend/holiday program) and a local student Season Pass (\$130 discount from the Junior Pass). Not only does this greatly improve training opportunities for Middle and High School athletes, but also reduces the training fee (lift ticket) charged to the school for their high school training at Mt Abram by \$18 per day.

Students seeking financial aid for this program can apply to Mt Abram Ski Club (application attached)
