Please email your entries to reaster@mac.com by **5 pm on Tuesday, Jan. 16**, using the format shown below on the attached entry form. Just edit the attached form to put your skiers in order seeded by grade level. **Please be timely** because it takes a little longer to set up the wave race format. **Schools who send entries after Tuesday will be charged \$50.00**. Also, please make your running order as accurate as possible! (Ask your skiers what class they are in if you are not sure!!). Some last minute scratches are always necessary, but if we can keep them to a minimum, it helps preserve the wave format. **List your skiers from fastest to slowest**. Any changes from what you see here will be posted at www.mainehighschoolskiing.com. If weather on race day is questionable, check the MHSS site before you leave in the morning!
